A first goal of this course is simply to provide a reliable account of Christianity's first millennium and a half. Simple attention to the facts as they unfold can have a clarifying effect and dispel some of the myths and misconceptions that somehow find their way into public consciousness. A second goal is to show how Christianity distinctively is shaped by and given shape to, diverse political and cultural worlds. There will be a \$10 fee for materials. Please use the double doors under the canopy across from the handicapped ramp to SJE Church.

We wish

to Carmella Coppola who celebrates her

DO YOU HAVE 2-3 HOURS PER MONTH TO HELP SOMEONE IN YOUR COMMUNITY?

- 1 in 8 persons over 65 and nearly half of those over 85 will be diagnosed with Alzheimer's Disease.
- 80% of Alzheimer's patients are cared for at home by family.

Caring for someone with memory loss can be both isolating and exhausting for family members. THESE FAMILIES NEED YOUR HELP! Belonging to a Care Team, *you only give the time you can when you can* because there are several of you to share the role of helping the family. The average volunteer offers just 2-3 hours per month. The team provides non-medical support and friendship.
